

# ARE YOU READY FOR THE EMV LIABILITY SHIFT?

## ANGUS ENTERPRISES OFFERS ATM SOLUTIONS

- ◆ **EMV compliance mandate becomes effective October 2016.**
- ◆ **Non-compliant ATM operators will be liable for fraud losses.**
- ◆ **Liability includes counterfeit and lost, stolen, and non-receipt fraud.**

Don't let fraud liability threaten your livelihood!

Let Angus Enterprises mitigate your risk!

Protect your investment.

Protect your livelihood.

**Free consultations! Save time and money Custom solutions!  
and reduce your risk!**

When your business is at risk, insurance is a must. The liability shift associated with EMV compliance requirements puts non-EMV-compliant ATM owners/operators at risk in the event of theft, fraud, or data breach.

Let Angus Enterprises upgrade your ATM to accept and process EMV transactions or sign up for liability protection, today!

Starting at just \$5 a month, Angus Enterprises provides solutions for owners with ATMs that do not meet EMV compliance requirements.

The options are simple and affordable and protect you and your business from non-compliance liability.

Call Angus Enterprises, today, for your custom ATM compliance solution or visit [www.angusenterprises.net](http://www.angusenterprises.net) for more information.
